Call for Posters

A poster presentation will be conducted during the symposium. For competing posters, the main focus of the poster should be in any of the following topics: biodiversity, taxonomy and ecology of microorganisms. The presenting author should indicate upon submission if the paper is for competition. In such case, the paper should not have been published or presented in other national or international meeting. Size of the poster should be 90 cm (width) x 100 cm (length).

An abstract with a maximum of 300 words is required. Please send the abstract on or before October 20, 2016 to:

Dr. Marian P. De Leon
email: mapdeleon11@gmail.com
Mobile: 09178719264
